Landscape Architect
Immediate Full-Time Opening

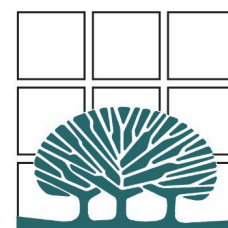

MCSA Group, Inc., located in charming East Grand Rapids, is seeking to fulfill a full-time Landscape Architect position to join our dedicated team. MCSA Group offers unlimited opportunities to be involved in all aspects of design and project coordination in a creative, supportive working environment.

We are a highly regarded, award-winning landscape architectural and architectural firm that provides services for park and recreation projects, downtown planning and streetscapes, sports and recreation facilities, site and recreation master planning, and an extensive variety of other exciting site design projects.

As our firm continues to grow, we are on the lookout for the next great designer. We are a collaborative group of landscape architects and architects that approach projects with unique expertise and diverse perspectives and a shared goal to create amazing designs.

For an opportunity to join a team that creates spaces that matter, please submit your resume and portfolio to tas@mcsagroup.com. MCSA Group offers a competitive compensation and benefits package, individual creative workspace, a dog friendly environment, and a \$1,000 signing bonus after successful completion of 60 days of employment.

Qualified applicants must have experience and professional skills in preparing site plans, construction documents, master plans, and presentation graphics. Applicants must be experienced with AutoCAD, Adobe Creative Suite, Sketch-Up and MS Office with a bachelor's degree in Landscape Architecture from an accredited University.
