

LEAD

Leadership Excellence
for Academic Diversity

www.engr.washington.edu/lead

a national leadership workshop for department chairs, deans and emerging leaders in science, engineering and mathematics (SEM), which address departmental and university culture and the professional development of all faculty

What past participants are saying:

95% said LEAD met or exceeded expectations

93% would recommend LEAD to others

These workshops are based on the University of Washington ADVANCE program's leadership workshop series.

This program is made possible through a National Science Foundation grant (SBE-0619159).

UWADVANCE
University of Washington Center for Institutional Change
